

## LIBRARY USER REGISTRATION FORM

Membership of the library of MND Scotland is available to patients and families and health & social care professionals supporting them in Scotland. Membership is also available to staff, board of directors, branch members and volunteers and the general public in Scotland. Those living outwith Scotland please contact the librarian first for approval.

The library is available during office hours Monday to Friday 9-5pm but the librarian works part-time so making an appointment for a first visit is the best use of resources. The library catalogue is available for online searching 24 hours a day from any pc and is brought to you by working in partnership with NHS Scotland.

The library collection is entirely funded by voluntary donations. Registered Users may borrow and reserve items using **Shelcat** (Scottish Health Libraries Catalogue) [www.shelcat.org](http://www.shelcat.org)

Further information about the MND Scotland Library & Information Service is available on the charity's website at [www.mndscotland.org.uk/information](http://www.mndscotland.org.uk/information)
