OTHER SOURCES OF INFORMATION ON MOTOR NEURONE DISEASE

MND WEBSITES – A guide to finding quality information on MND/ALS on the internet. Also downloadable from our website.

READING LISTS – A full range of reading lists on various aspects of living with the MND/ALS is available from the Information Officer or our website

MEDIA COLLECTION – A full listing of the library's video/DVD collection is also available from the Information Officer or the website.

The Library and Information Service was established in 1998 and is available to people with motor neurone disease and their families/carers free of charge. A visit to the Library will enable you to make the best use of the service but please phone to make an appointment. The Library and Information Service has wheelchair access and facilities for the disabled. Parking for disabled visitors is available at the rear of the building.
